900 North Sanctuary Rd.
Chattanooga, TN 37421

For each class you will receive a link to the instructional video which will need to be viewed before attending the field work session. *If Covid-19 precautions are lifted, we may change to in-person classes instead of videos.* All field work will take place at Audubon Acres (900 North Sanctuary Road, Chattanooga) unless otherwise noted.

Field Work Sessions

Date	Time	Topic	Guest Speaker
